

STAN!! THE SMILING C.E.O OF FORTIS/BEL!!

H. Stanley Marshall

STAN!!! Do you think **WE WERE SMILING** when we heard this on Channel 5 TV in November!

“Stan Marshall declined to make predictions on the future of electricity rates in Belize.”

WHY DECLINE, STAN?

Stan!!! When you light up your Christmas lights this year, remember, **BECAUSE WE PAY SUCH HIGH ELECTRICITY RATES TO FORTIS/BEL**, it cost us **3 TIMES THE AMOUNT TO LIGHT OURS!!!**

STAN!!! What's better for Belize? **12 JOBS FROM CHALILLO** (That's what you say in your EIA) or **STRENGTHENING 10,000 JOBS FOR OUR CANE WORKERS FROM A CO-GENERATION PROJECT???**

**Fortis Forget It!!
The Macal River Is Ours
Damn The Dam**
